Rep. David Cook Praises President Trump for Signing Bill to Repeal BLM 2.0 Rule

STATE CAPITOL, PHOENIX – Representative David Cook (R-8) today applauded President Trump for signing into law [H.J.Res.44](#), a Congressional Review Act resolution to repeal the Bureau of Land Management [Planning 2.0 Rule](#).

“Land management belongs in the hands of the people, many of whom depend on their land to earn a living and provide for their families,” said Representative Cook. **“President Trump's action on this legislation is a common-sense step in shrinking Washington bureaucracy and returning control to local people most equipped to determine how the land is utilized.”**

“My district depends on agriculture and mining; this Planning 2.0 Rule had the potential to significantly devastate these industries.”
